MEMORANDUM FOR: 25X1
4C System Administrator, DDA/OS

FROM: 25X1
ADP Control Officer, DDA   DD/A REGISTRY
                                  FILE: 10-1

SUBJECT: Requests for Access to 4C   25X1

REFERENCE: Your memo, Same Subject, dated 7 Dec. 1982

1. Per your request of the reference, we have established that
the following offices within the DDA require access to 4C:

   —Office of Communications: To ascertain the status
    of individuals working on and proposed to work
    on OC projects. Existing VM Delta Data to be made
    switchable   Point of contact: 25X1
                                                                             25X1

   —Office of Data Processing: Same reason as OC. Existing
    VM Delta Data to be made switchable at HQ. Point of
    contact: 25X1

   —Office of Logistics: Same reason as OC and to
    ascertain certain contractor information.
    Existing VM Delta Data to be made switchable at
                          Point of contact: 25X1
                                                                             25X1

   —Office of Training and Evaluation: To ascertain the
    status of individuals from the Agency and the
    Community enrolling in courses. Existing VM Delta
    Data at Chamber of Commerce building to be made
    switchable. Point of contact: 25X1
    (to be added in fall of 83 after Commo upgrade).   25X1

2. We trust the Office of Security is handling its own internal
requirements for access to 4C.   25X1

3. Please contact the individuals listed for particular
arrangements which must be made to implement access. We would
appreciate being kept informed of overall progress in this endeavor
and will be happy to provide any additional information you may
require.   25X1
                                                                             25X1
